Community Support

The Wauwatosa Village Task Force is a non-profit Organization. Each year, the Wauwatosa Village Task Force and TosaFest looks to give back to the Wauwatosa Community by supporting a variety of local Wauwatosa charities.

The success of TosaFest is dependent upon good weather, good food, good music and support from community-minded corporate sponsors in order for the volunteers that run TosaFest to be able to respond to the many requests we receive to help local charitable organizations each year.

In 2017 we were blessed with great weather, an excellent mix of Music and Food choices leading to one of the largest crowds we have ever experienced. Our Sponsors were able to help us offset our operating costs allowing for additional funds to be given back to the community.

In recent years TosaFest has given back to our community by donating our festival proceeds to the following local organizations:

<i>Adaptive Community Approach Program (ACAP)</i>	<i>Transition Living Services</i>
<i>Aqua Sprites of Wisconsin</i>	<i>Wauwatosa East Athletic Boosters</i>
